<i>Metal Finish</i>	
brushed aluminum (CM-006)	A
<i>Wood Body</i>	
walnut (CM-001)	W
dark stained walnut (CM-002)	D

Alternate voltage / plug styles available

The Macto showcases the breathtaking natural beauty of the solid walnut base. Only in a truly solid piece of wood can you see the fascinating way that the grain changes as it passes from face to face. Great reach and articulation make the Macto an extremely functional and versatile fixture: while its form and composition are kept remarkably simple.
