white linen (CM-058) L

Alternate voltage / plug styles available
 Also available in two larger versions

walnut, white linen

dark stained walnut, ebony eco veneer walnut, white linen dark stained walnut, beech wood veneer

The structural connection between metal and wood was the inspiration here, where the fixture's stance is only strengthened by gravity. The tri-leg base finds stability on uneven surfaces and allows the cord to exit discreetly and effectively. It feels signature and iconic while still keeping a clean and timeless modern aesthetic.
