| ebony eco veneer (CM-020)    | E |
| white linen (CM-058)         | L |

Alternate voltage / plug styles available  
Also available in two larger versions

*The structural connection between metal and wood was the inspiration here, where the fixture's stance is only strengthened by gravity. The tri-leg base finds stability on uneven surfaces and allows the cord to exit discreetly and effectively. It feels signature and iconic while still keeping a clean and timeless modern aesthetic.*
