

## General Product Information

This product is suitable for indoor dry locations only.

**IMPORTANT SAFETY INSTRUCTIONS**

This portable luminaire has a polarized plug (one blade is wider than the other) as a feature to reduce the risk of electric shock. This plug will fit in a polarized outlet only one way.

If the plug does not fit fully in the outlet, reverse the plug. If it still does not fit, contact a qualified electrician. Never use with an extension cord unless plug can be fully inserted. Do not alter the plug.

**Turning Fixture On/Off**

- 1 Insert the included bulb into the fixture.
- 2 Insert the polarized plug into the outlet. To turn on/off, flip the toggle switch on the base of the fixture.
