Lex Linear Pendant

walnut

white washed oak, side and under view

walnut, under view

The Lex Linear Pendant embodies our love and respect for the ocean and the crafts that sail on her waters. It shares many elements of a well-made vessel. The three bulkheads capture and guide the fifteen slats, creating a dynamic and robust structure. As you walk around the Lex, the massing changes with each step and new perspective. The indirect light source delivers a beautiful quality and meaningful amount of light while also eliminating an opportunity for glare.
