LUTRON Native by Design™

Shared vision, exceptional results. Native by Design merges Lutron's intelligent lighting and technology with world-class design partners to create experiences that neither could achieve alone.

Design spaces to look and feel better with quality light. Lutron Intelligent Lighting replicates the natural color of daylight, offers a broad range of color temperatures, and renders objects truthfully under a rich spectrum. It's a difference you can feel.

METAL FINISHES

WOOD MATERIAL

The Ora's sturdy design prioritized sleekness and structural integrity. This sconce is efficient and delivers ample usable light. A minimalist aesthetic makes it adaptable and suitable for different genres of designed environments. By simply selecting a natural hardwood or metal finish, a designer can completely change the feel of a room.
