

64", brushed brass, white washed oak

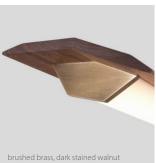

64", brushed brass, white washed oak

64", brushed brass, walnut

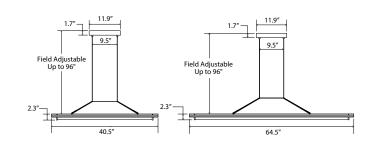

On our Cerno journey, we continue to evolve as designers and craftsman. The Penna is a celebration of us drawing and reflecting on our last ten years. This design is an embodiment of all the lessons that we have learned from designing and building thousands of lights. This fixture balances utility and sophisticated beauty well. The walnut, brass, and leather work in concert to compose a modern form with materials that have been used for thousands of years.

Nick Sheridan, Designer
