

*Pharos is a Latin word meaning lighthouse. Lighthouses are iconic structures with an air of mystery, exuding strength, resilience, and purpose. The Pharos pendant with hand-blown at Cerno by a skilled team of artisan glass blowers. The bell-shaped design is familiar yet timeless. The opaque, translucent upper portion of the fixture and colored gradient lower section produce a beautiful diffuse light. The draw of this fixture is the simplicity of the form and how the different colored glass works in concert.*
