

## 8 Scandinavian Bathroom Lighting Ideas That Are Instant Mood Boosters

We all know [bathroom design and lighting](#) can be tricky. If you don't have many (or any) windows, you'll need fixtures that illuminate the vanity, tub, or shower area. Not only can this get pricey, but it can also be a challenge to pick styles that work together without being overwhelmed.

### 7. Try a wood pendant.

Again, the great outdoors are a huge part of Scandi design, so incorporating natural elements is a must. A pair of wooden pendant lights with a geometric edge will transform even a simple bathroom into a zen Nordic zone. Then bring on the [storage for a super organized space](#).
