

Introducing a design collaboration between Cerno and Leah Bradley. This limited-edition Linea Selva chandelier celebrates a shared love for craftsmanship, surfing, and family.

Based in Southern California, Leah Bradley uses coastal living as her main source of inspiration. In this exclusive design, Leah's signature California modern style is brought to life through the handmade excellence of Cerno.

The Linea Selva chandelier is crafted with only the best practices and resources in mind. From ethically sourced and hand-crafted wood to hand-blown glass from Cerno's Italian-inspired glass blowing studio Siemon & Salazar, this fixture symbolizes the shared appreciation for aesthetic grounded in sensibility.
